

ASX and Media Release

All major contracts now let for Peculiar Knob mine development and operation

WPG Resources Limited (ASX:WPG) is pleased to advise that all major contracts for the development and operation of the Company's flagship Peculiar Knob DSO iron ore project south east of Coober Pedy in South Australia have now been let.

The contracts fall into two main categories: construction contracts, and service provider contracts.

The construction contracts awarded are:

- Design and construction of the Port Pirie receival, storage and load-out facility – Kerman Contracting
- Construction of the 240-person accommodation village to be built mid way between the mine and the Wirrida siding rail loader – Ausco Modular
- Site civil construction including building of the haul road – Lucas Earthmoving.

The service provider contracts awarded are:

- Mining services contract – MACA (ASX:MLD)
- Road haulage to Wirrida siding – Giacci
- Crushing, screening and train loading – MACA
- Rail haulage Wirrida to Port Pirie – Genesee and Wyoming Australia
- Management and operation of Port Pirie facilities – Giacci
- Transshipment operations – CSL Australia

Most of these contractors are already well established in South Australia and in the Coober Pedy and Port Pirie areas in particular.

As previously advised, WPG expects that the Mining and Rehabilitation Program (MARP) for Peculiar Knob will be approved during July 2011.
